

# Fowler

The Trusted Name For Over 60 years.

Fowler Construction Company Limited is committed to providing a safe and healthy workplace for all employees, contractors, customers and visitors. Our employees are our greatest asset and as such the Company is committed to preventing injuries and occupational illness through training, instruction and implementation of industry best practices.

In pursuit of our commitment, Fowler will adhere to, develop, implement and enforce such policies, procedures and legislated requirements that promote and provide a healthier, safer work environment. In fulfilling this commitment to protect both people and property, management will ensure that all supervisors provide and maintain a safe and healthy work environment, in accordance with industry standards, Company policies and in compliance with legislative requirements. We will strive to eliminate any foreseeable hazards which may result in personal injury/illness and property damage.

Each employee is expected to make a commitment to their personal safety. This will be achieved by following company policies and procedures, attending training and working in compliance with all legislated standards.

We are committed to working closely and proactively with our Joint Health & Safety Committee with an aim to prevent injuries and accidents within our facilities and on our work sites.

Fowler Construction Company Limited believes that safety is a responsibility to be shared by workplace parties and by working together we can eliminate lost time injuries and accidents.
